Send a Kid to Camp Endowment Fund

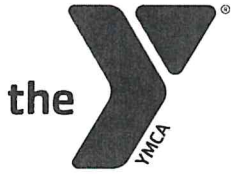

- During our summer camp we serve over 3000 campers.
- Our goal is to make sure all children have the opportunity for a camp experience.
- The Endowment was begun through a gift from Randy Welfare and his family to ensure the goal is reached and children can continue to enjoy a camp experience in the future.
- At camp our mission is "Helping all people reach their God-given potential in spirit, mind and body."
- YMCA Camp Hanes uses the character values of caring, honesty, respect, responsibility and faith to guide our programs.
- We work to achieve these goals by helping campers develop skills for achievement, a sense of belonging and build relationships.
- We know that a week at camp can accomplish so much and is an impactful experience in a safe and fun environment.
